

Display Field Day Logs on your QRUQSP Website

This tutorial will show you how to display your field day logs on your QRUQSP Website.

Step 1 of 6 - Login to QRUQSP.org Subscription

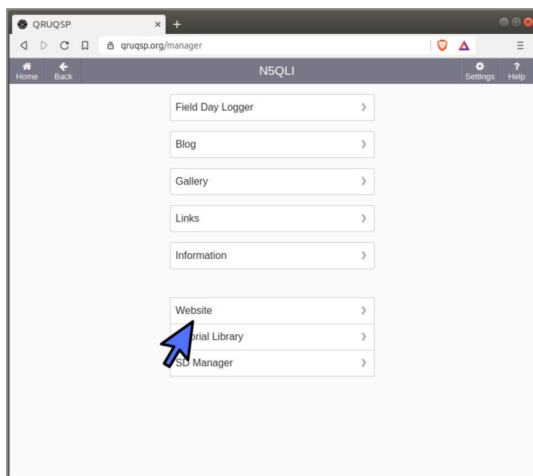

Open a web browser and connect to your QRUQSP.org subscription.

<https://qrupsp.org/manager>

Enter your login information and click the Sign In button.

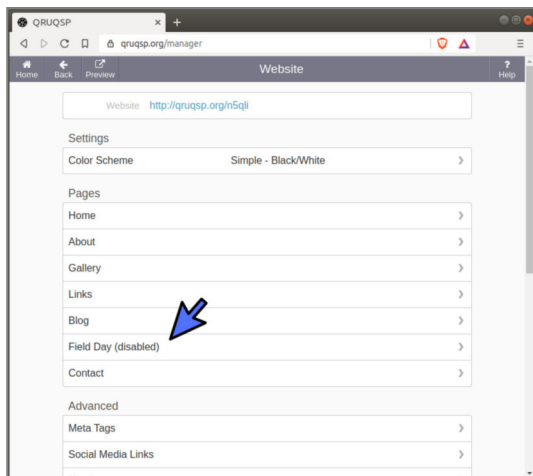

****NOTE:** You can click the remember me checkbox so you don't have to enter the information each time.

Step 2 of 6 - Click on Website

Open the website module to configure your Field Day page.

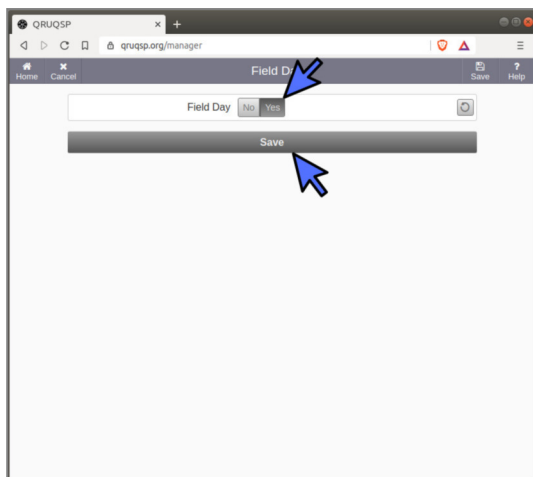

Step 3 of 6 - Click on Field Day

Under the list of Pages, click on Field Day.

Display Field Day Logs on your QRUQSP Website

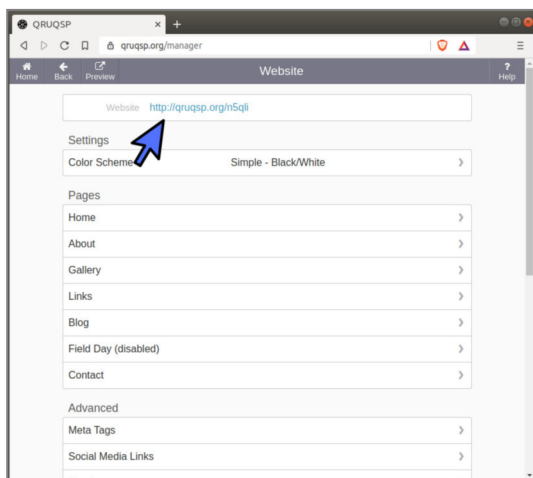

Step 4 of 6 - Click Yes

Click on Yes to enable your field day contacts to be visible on your QRUQSP Website.

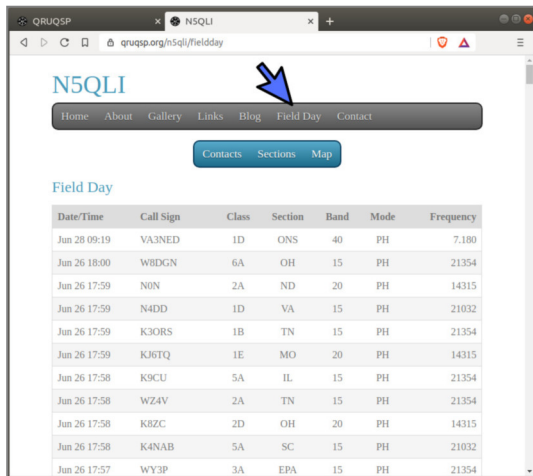

Then click on Save.

Step 5 of 6 - Open Your QRUQSP Website

Click on the URL at the top of the screen, this will open your QRUQSP.org website in a new tab.

Step 6 of 6 - Click on Field Day

Click on Field Day menu item to see your current list of contacts. You can share your website with your friends so they can follow along on Field Day.

They can also view the list of Sections you've worked along with the Section Map.
